# Somebunny Loves You

by Kim Singdahlsen

1. Cut the Bracket Notecard from Cupcake for the pink treats and from Sprinkles for the blue treats.
2. Cut the Stitched Bracket from Sugar Cube. Stamp the sentiment as shown.
3. Stamp the chick and frog (or any of the other cute animals). Color, die-cut and adhere with dimensional adhesive as shown.
4. Using the plaid patterns from the Double the Joy paper pack and the narrow bow from Mini Mix & Match Bows, create bows for the bottom of the notecard. Adhere.
5. Adhere a trio of coordinating sequins for embellishment.
6. Fill the treat bag with treats! Fold the top in slightly, then fold it over and tape shut. Adhere inside the bracket notecard and adhere the notecard closed. Tip: For extra security of your treat bags, staple the bracket notecard closed over the top of the folded treat bag. Use the bow to hide your staple!
