1. Cut a 4 1/4" x 11" piece of Sugar Cube cardstock and fold in half for a cardbase.
2. Using Oreo ink, stamp the sentiment onto a 4" x 1 1/2" piece of Salt Water Taffy cardstock. Adhere to the bottom of the card front.
3. Die cut both Lakeside Border pieces as shown from Salt Water Taffy cardstock. Sponge Sprinkles ink over the edges.
4. Die cut the canoe and its rim from Candy Corn cardstock. Sponge the edges with Toffee ink, applying a bit more ink to the top edge of canoe. Adhere the rim then adhere the canoe over the bigger Lakeside Border piece; set aside.
5. Lightly sponge Salt Water Taffy ink over the card front to create a light blue sky as shown.
6. Die cut two Rolling Hills from Granny Smith cardstock. Sponge the edges with Peapod ink. Adhere the hills together and trim to 4" wide. Lightly sponge the front hill with Toffee ink.
7. Adhere the water and canoe above the sentiment, tucking the hills beneath the upper edge. Adhere the thinner wave piece to the bottom of the canoe, over the bottom of the larger wave.
8. Die cut the teepee pieces from Toffee cardstock. Sponge edges with Chocolate Truffle ink, applying a bit more ink to top fringe and inside door piece. Die-cut zig-zag trim from Cookie Monster and Candy Corn cardstocks. Adhere to the teepee base. Adhere the door pieces and fringe. Attach the entire assembly over the hills placing a foam square beneath the top.
9. Die cut the campfire pieces from Candy Corn, Watermelon and Potato Chip cardstock and assemble. Die cut the logs from Toffee cardstock. Sponge the edges with Toffee ink, layer and adhere the fire. Adhere the assembled campfire to the left of the teepee.
10. Die cut the clouds from Sugar Cube cardstock; adhere to the sky.
11. Die cut the tree tops from Granny Smith cardstock; sponge edges with Peapod ink.
12. Assemble the trees and adhere to complete the card.
