by Kim Singdahlsen

1. Cut the base using the Gift Card Frame die from the cloud patterned paper in Build a Scene 6x6 Paper Pack. Cut a 3/4" strip of green polka dot paper using the bottom of the die and adhere.
2. Cut a 1 1/4" strip of Sugar Cube to the width of the Gift Card Frame (2 1/4" or use the die). Cut a 1 1/2" strip of Cookie Monster to the same width.
3. Stamp three of the cats from Clearly Planned - Cattitude, masking each cat as needed. The basic cats are the same shape so you can stamp one of them on masking paper, trim just to the right side as you are looking at it, and that mask will work for each cat.
(**NOTE:** if you use the flower cat, you will also have to mask the flower.)
4. Color the cats as desired and adhere to the Cookie Monster strip then to the Gift Card Frame base.
5. Using Sugar Cube ink and white embossing powder, stamp and emboss the sentiment on Oreo cardstock. Cut with Little Bits - Let's Talk Bubble 2. Adhere to the assembly with foam adhesive.
6. Embellish with a few sequins and adhere to the Hinged Tin.
