# Trick or Treat

by Jean Manis

1. Cut a 4 1/4" x 11" piece of Cookie Monster cardstock. Score and fold in half to create a cardbase.
2. Cut a 4 1/4" x 1 3/4" rectangle of Pumpkin cardstock. Emboss using Brick embossing folder. Attach to the cardbase at the bottom.
3. Using Skinny Mini Halloween Borders, cut the spider web and bats from Oreo cardstock and Trick or Treat sentiment from Candy Corn cardstock.
4. Die cut Little Bits - Broom from Lemon Meringue and Oreo cardstock. Assemble the broom by attaching the handle behind the head.
5. Stamp the images with Oreo ink on Sugar Cube cardstock. Color the images with Copics. Die cut with the corresponding Peek-a-Boo Halloween dies.
6. Adhere the spider web and bats borders to the cardbase. Attach the Trick or Treat sentiment border with foam adhesive. Attach the images and broom to the cardbase.
